Titles

To view one or many selected titles scroll down the list and click the corresponding boxes. Then click display at the t page. To view one particular document click the link above the title to display immediately.

Documents 1 to 9 of 9 from your search **"(watermark OR watermarking) SAME (detect OR determining) WITH (difference$1 OR alterations)"** in all the available information:
Number of titles selected from other pages: 0

☐ **Select All**

☐ 1 display full document

2003. (INZZ) A method of maintaining the image quality of digital **watermarking** for binary images using local measures.

☐ 2 display full document

2004. (INZZ) Semi-fragile **watermarking** for tamper proofing and authentication of still images.

☐ 3 display full document

2003. (INZZ) Secure authentication **watermarking** for binary images.

☐ 4 display full document

2002. (INZZ) Fragile speech **watermarking** based on exponential scale quantization for tamper detection.

☐ 5 display full document

2001. (INZZ) Digital **watermarking** using improved human visual system model.

☐ 6 display full document

2001. (INZZ) Techniques for content-based graph authentication.

☐ 7 display full document

2000. (INZZ) Detection of image **alterations** using semi-fragile watermarks.

☐ 8 display full document

1999. (INZZ) Reversible digital images.

☐ 9 display full document

1998. (INZZ) **Watermarking** for image authentication.
